Applicants must use the portfolio template found on the [www.bcca-cca.com](http://www.bcca-cca.com) website (See portfolio case documentation requirements in Candidate’s Handbook for more information on the requirements for the photographs submitted.). The Portfolio Template includes a slide in which the signed *Patient Authorization for Photo and Information Release* form is included for each patient case.

**SUPPORTING DOCUMENTATION FOR 3 DETAILED CASES (CASES A-C)**

The documents listed below are required to support the patient cases A to C that are included in the Portfolio Template.

Label the items submitted with the proper Case Letter to identify the patient case. Check each box below to indicate that the items are included in the application and name each document with the proper label.

**Case A**

- A-1  Copy of care & cleaning instructions provided to patient
- A-2  Copy of Detailed Written Order or prescription from physician (not required Pathway 2)
- A-3  Typed case studies including pertinent information to patient care (DX, physical findings, treatment plan, patient outcomes, etc.)

**Case B**

- B-1  Copy of care & cleaning instructions provided to patient
- B-2  Copy of Detailed Written Order or prescription from physician (not required Pathway 2)
- B-3  Typed case studies including pertinent information to patient care (DX, physical findings, treatment plan, patient outcomes, etc.)

**Case C**

- C-1  Copy of care & cleaning instructions provided to patient
- C-2  Copy of Detailed Written Order or prescription from physician (not required Pathway 2)
- C-3  Typed case studies including pertinent information to patient care (DX, physical findings, treatment plan, patient outcomes, etc.)

All Pathways, except Pathway 2, must complete the 3 courses listed below. Only Pathway 2 is exempt from these three courses.

- 9A  Course A: CPR/Advanced Life Support  
(Official transcript included in application or has been sent to the BCCA)
- 9B  Course B: Privacy and Ethical Practices (i.e. HIPAA or Equivalent Training)  
(Official transcript included in application or has been sent to the BCCA)
- 9C  Course C: Infection Control Practices (covering HIV, Hepatitis, MRSA and Tuberculosis infection control)  
(Official transcript included in application or has been sent to the BCCA)

All candidates must choose and complete one pathway application from the 5 Pathways listed below. Choose only one pathway and mark the boxes next to the courses of the pathway you are applying under. Leave other Pathways unchecked. Official transcripts are required for the courses that are required for each pathway. The transcripts can be included in the application or can be sent directly to the BCCA from the institution.

**PATHWAY 1**

**Anaplastology Educational Program with clinical component (from approved list)**

**For Pathway 1 Applicants Only** - Indicate the documents being submitted. Label each document.

- 10  Application For Pathway 1 (Section V - found on [www.bcca-ca.com](http://www.bcca-ca.com))
- 10A  Course D: Human Anatomy OR Human Anatomy & Physiology - official transcript required

**PATHWAY 2**

**Advanced Medical Degree**

**For Pathway 2 Applicants Only-** Indicate the documents being submitted. Label each document.

11  Pathway 2 Application (Section V - found on [www.bcca-ca.com](http://www.bcca-ca.com))

**Pathway 2 must complete THREE of the courses H through L**

11A  Course H: Painting OR Color Theory - official transcript required

11B  Course I: Figure OR Portrait Drawing - official transcript required

11C  Course J: Figurative Sculpture OR Portrait Bust Sculpture - official transcript required

11D  Course K: Materials and Methods in Sculpture (i.e., Mold Making and Casting) - official transcript required

11E  Course L: 3D Digital Modeling and Fabrication - official transcript required

**PATHWAY 3**

**Clinical Credential in a Field Related to Anaplastology**

**For Pathway 3 Applicants Only-** Indicate the documents being submitted. Label each document.

12  Pathway 3 Application (Section V - found on [www.bcca-ca.com](http://www.bcca-ca.com))

**Pathway 3 applicants must complete Course D**

12A  Course D: Human Anatomy OR Human Anatomy & Physiology - official transcript required

**Pathway 3 must complete TWO of courses E through G**

12B  Course E: Human Pathology OR Human Pathophysiology - official transcript required

12C  Course F: Chemistry with lab OR Materials Science - official transcript required

12D  Course G: Medical Terminology - official transcript required

**Pathway 3 must complete THREE of courses H through L**

12E  Course H: Painting OR Color Theory - official transcript required

12F  Course I: Figure OR Portrait Drawing - official transcript required

12G  Course J: Figurative Sculpture OR Portrait Bust Sculpture - official transcript required

12H  Course K: Materials and Methods in Sculpture (i.e., Mold Making and Casting) official transcript required

12I  Course L: 3D Digital Modeling and Fabrication - official transcript required

**PATHWAY 4**

**Bachelor Degree**

**For Pathway 4 Applicants Only** - Indicate the documents being submitted. Label each document.

13  Application For Pathway 4 (Section V - found on [www.bcca-ca.com](http://www.bcca-ca.com))

**Pathway 4 applicants must complete ALL FOUR courses Course D through G**

13A  Course D: Human Anatomy OR Human Anatomy & Physiology (eq. to two semesters.)  
official transcript required

13B  Course E: Human Pathology OR Human Pathophysiology - official transcript required

13C  Course F: Chemistry with lab OR Materials Science - official transcript required

13D  Course G: Medical Terminology - official transcript required

**Pathway 4 applicants must complete FOUR courses of Courses H through L**

13E  Course H: Painting OR Color Theory - official transcript required

13F  Course I: Figure OR Portrait Drawing - official transcript required

13G  Course J: Figurative Sculpture OR Portrait Bust Sculpture - official transcript required

13H  Course K: Materials and Methods in Sculpture (i.e., Mold Making and Casting) - official transcript  
required

13I  Course L: 3D Digital Modeling and Fabrication - official transcript required

**PATHWAY 5**

**Long-Term Practitioners**

**For Pathway 5 Applicants Only**- Indicate the documents being submitted. Label each document.

14  Application For Pathway 5 (Section V - found on [www.bcca-ca.com](http://www.bcca-ca.com))

**Pathway 5 applicants must complete Course D**

14A  Course D: Human Anatomy OR Human Anatomy & Physiology (equal to two semesters.)  
official transcript required

Thank you for completing the Application Checklist.  
Please make sure each item is labelled according to the number in the column  
to the left of the check box.

Please include this checklist as part of your submission

If you have any questions, please contact the BCCA by telephone at 561-414-0675  
or by email at [rachel@bca-cca.com](mailto:rachel@bca-cca.com)
